Welcome to The Neurology Center

STATEMENT OF FINANCIAL POLICY

This facility will bill your insurance and receive payment directly from them. Any services that your insurance will not cover are your responsibility. If for any reason you are not able to pay your co-payment at the time of service an additional \$15.00 will be added to your statement.

If you have HMO insurance, it requires authorization for any treatment in our office. If this authorization has not been obtained before your visit, you will be required to sign a financial waiver. You will be expected to pay for all charges incurred, and if your insurance subsequently authorizes the services, your payment will be refunded upon receipt of insurance payment.

If we are not a participating provider for your insurance plan, we will bill your insurance as a courtesy, if you have provided us with complete information to do so.

If you do not have insurance, payment is expected at the time of service. We accept Visa, MasterCard and American Express for your convenience. If payment in full is not possible at the time of service, payment plans are available and can be arranged in our Business Office upon your request.

If you need our doctor to complete forms such as disability or Department of Motor Vehicles, there will be a \$35 fee per form to be completed.

Statements are mailed monthly to patients with an outstanding balance. If you are unable to pay your balance within 30 days, please contact the Billing Office at (760) 631-3020 to make payment arrangements.

New patients: A 24-hour advanced notice is required if you must cancel or change your appointment. If you miss your initial appointment without notifying our office, we will notify your referring provider and make an attempt to schedule another appointment. If a second appointment is missed with no notification, we will ask that you be referred to another provider.

For established patients who miss an appointment without giving a 24-hour advanced notice, there is a \$75.00 charge for general office visits, and a \$200.00 charge for all missed diagnostic testing or study appointments. **Our policies are created to allow for effective scheduling and to ensure all patients wishing to be seen may be accommodated. Please help us better serve you by notifying us as soon as possible if you must change or cancel your appointment.**

LAB TEST, CAT SCANS, MRI'S, ETC:

When referred to an outside facility, please contact your insurance to ensure it is a contracted facility, in orders to keep your costs down. ***Ultimately, it is your responsibility to know your insurance plan benefits.***

*****Please note that our office does not call patients with normal test results. All normal test results will be reviewed during follow up office visit. If you wish to get your results prior to your next appointment please call our office at 760-631-3000 option 4.*****

Prescription Refills:

Please call your pharmacy for prescription refills, at least 4 to 5 days before you run out of medication. Our doctors cannot authorize refills after office hours or on weekends, as they cannot access your medical records. Refills requested after hours will be reviewed for refill, on the next business day, and may take up to 48 hours to fill. Refills can take up to 4 days if we have to request authorization from your insurance as we have to wait for the approval before we can call pharmacy.

We provide medical records to other medical providers.

The Neurology Center will furnish and/or discuss medical information (e.g., examination findings, laboratory and test results, etc.) with your Primary Care Physician and/or the Provider or entity that referred you to The Neurology Center.
