### GAP EXPLANATION

---

---

Following graduation from my FNP program, my job search was adversely impacted by the pandemic and consequently took longer than originally anticipated. I started orienting with Dr. Navazo at Mobile Doctor Medical Clinic on 5/11/2020, but did not start practicing on my own until 07/14/2020 when my Medicare clearance went through.

After graduating in May 2013, I studied for a few months and took my RN boards October 2013.

November 2013 to December 2013, was looking for employment
