Explanation for Gaps in Employment

1. The gap in employment from 12/2017-08/2018 was due to being a full-time undergraduate student.
2. The gap in employment from 11/2019-12/2021 was due to being a full-time graduate student.
3. The gap in employment from 01/2022-present was to study for boards and allow time for licensing/credentialing.
